

# Releasing the Deborah's—End-Time Anointing!

Prophetic Worship by Psalmist Lorraine "Deborah" Stewart

Sunday, November 07, 2010 at 06.00 pm

The Deborah's of the End-Time

*And Deborah, a prophetess, the wife of Lapidoth, she judged Israel at that time. And she dwelt under the palm tree of Deborah between Ramah and Bethel in mount Ephraim; and the children of Israel came up to her for judgment. (Judges 4:4-5)*

Hereby we would like to invite you for the upcoming meeting concerning the:

## DEBORAH's of the End-Time!

There will be only a 30 minutes preaching (with projector) about this specific **End-Time-Deborah-Anointing** and **releasing this anointing!**

**Deborah** shows forth the ministry of woman. **Deborah** was the first example of a woman called to public service by the **Holy Spirit**. It is too late in the day to question the public ministry of woman. The facts of God's providence, and the fruits of God's **Spirit**, are stronger than all our theological fancies! The **Holy Spirit** has distinctly recognized woman's place in the Church, not only to love, to suffer, and to intercede, but to **prophecy**, to teach, and to minister in every proper way to the bodies and the souls of men. The woman is called without restriction to teach, to witness, to work in every department of the Church of **Yeshua** or **Christ**.

Power-point about the End-Time **Deborah's** presentation is available online ([www.Endtimeharvestrevival.org](http://www.Endtimeharvestrevival.org) Click on "**Wave-Deborah**")

As a recognized prophet & evangelist, **Paul van Beek** anointed by God for the End-Time, is called to minister God's message! Having been in the Prophetic & Evangelistic ministry since 1997. Paul believes that Christianity is not just something you experience only on Sunday-morning; it is a daily fellowship with Yeshua. Paul is bringing God's straight message that cuts through all denominational barriers & transcends human hypocrisy & frailty, traditions & religion & reaches the heart of man in this End-Time generation!

(This will be TV-recording for the internet viewers)
